Dear Neighbour:

**RE: COMMUNITY MEETING - DOIDGE PARK RE-DEVELOPMENT**

In the Summer of 2010, the City of London will be upgrading Doidge Park. Many of the park's amenities are aged and failing and require removal. The removal of these amenities, gives the neighbourhood an opportunity to provide input to the City on how the park can be re-developed to meet the surrounding community's recreational needs. The first step in the re-development process, is to invite the public to a community meeting to gather their visions for the park, address any concerns they may have and to present possible new park amenities.

The public meeting will be held on **Thursday February 18, 2010 from 7:00 – 9:00 pm** at **St. Michael's Public School, 926 Maitland Street, London.**

If you have questions or comments regarding this project, please feel free to contact the undersigned. Thank you for your time.

Sincerely,
